Hotel from Banalités

My room has the form of a cage.
The sun reaches its arm in through the window.
But I want to smoke and make shapes in the air,
and so I light my cigarette on the sun's fire.
I don't want to work, I want to smoke.
- poem by Guillaume Apollinaire

Là ci darem la mano from Don Giovanni

Don Giovanni	There we'll be hand in hand, there you will say "I do." Look, it's not far, let's go from here, my dear.
Zerlina	(I want to, but it's not pure; my heart is ill at ease. I would be happy, I'm sure, but it may all be a tease.)
Don Giovanni	Come, sweetest love, let's hurry!
Zerlina	(Masetto gives me worry.)
Don Giovanni	I'll change your life forever.
Zerlina	Quickly... I can't resist.
Don Giovanni	Let's go!
Zerlina	Let's go!
Together	Let's go, my love, let's go, To heal the pain of an innocent love.
