Covenant Affirmation

Love is the doctrine of this church,
The quest for truth its sacrament,
And service its prayer.
To dwell together in peace,
To seek knowledge in freedom,
To serve human need,
To the end that all souls shall
grow into harmony with the Divine —
Thus do we covenant
with each other and with God.

Beach Walk Meditation

As you walk by the sea, listen to the elements, to the birds, to the life around you to which you are connected but which you do not control.

Consider the tide pulling in and away from the shore, covering and then revealing it.

Allow yourself to rest in the enormity of the world, remember the whales, enjoy a renewed sense of perspective.
